EPA-REGION 10

Sauvies Island Grange #840
14443 NW Charlton Rd.
Portland OR 97231

Dear EPA,

On behalf of the Sauvies Island Grange #840 I wish to encourage dredging much more than the 167 acres of Willamette River bed proposed in your plan. The pollution effects on humans in water contact, such as floating homes, boaters and swimmers should be of concern as well.

A healthy fish population should be your major goal – it is past time to fix our river!
